Szydłowski, Sztachańska, Hidane, Spirit

yeah and the wind i stalking
yeah for the very first time
whit a melody that pulls you towards it
painting pictures of paradise

saying rise up to the light in the sky
watch the light lift your heart up
burn your flame through the night

woah, Spirit
watch the heavens open
spirit
can you hear it calling?
yeah

yeah and the waters crashing
trying to keep your head up high
when you’re trembling
that’s when the magic happens
and the stars gather y your side

saying rise up to the light in the sky
watch the light lift your heart up
burn your flame through the night

woah, Spirit
watch the heavens open
spirit
can you hear it calling?
yeah

your destiny is coming close
stand up and fight
so go into that far off land
and be one with the great lion, lion
a boy becomes a man

woah, Spirit
watch the heavens open
spirit
can you hear it calling?
yeah
woah, Spirit
watch the heavens open
spirit
can you hear it calling?
yeah

your destiny is coming close
stand up and fight
so go into that far off land
and be one with the great lion
