Szymon Lubicki, Youngblood

remember the words you told me
love me to the day I die
surrender my everything
cos you made me believe you're mine
yes, you used to call me baby
takes one to know one
you beat me at my own damn game

you push and you push and I'm pulling away
pulling away from you
I give and I give and I give and you take
give and you take

Youngblood
say you want me /2x
out of your life
and I'm just a dead man walking tonight
but you need it
you need it
all of the time
Youngblood
say you want me /2x
out of your life
and I'm just a dead man walking tonight
but you need it
you need it
all of the time
yeah!

lately our conversations
end like it's the last goodbye
till one of us gets too drunk
and calls about a hundred times
so who you been calling baby?
nobody could take my place
when you looking at those strangers
hop to God you see my face

Youngblood
say you want me /2x
out of your life
and I'm just a dead man walking tonight
but you need it
you need it
all of the time
Youngblood
say you want me /2x
out of your life
and I'm just a dead man walking tonight
but you need it
you need it
all of the time
yeah!

you push and you push and I'm pulling away
pulling away from you
I give and I give and I give and you take
give and you take
you running around and I'm running away
running away from you
from you

Youngblood
say you want me /2x

out of your life
and I’m just a

Youngblood
but you need it
you need it
all of the time
