

Kelly Clarkson & Ariana Grande, Santa, Can't You

Keep the snow and sleigh rides
Keep those silver bells
Keep the gifts beneath the tree
Give them to someone else
Keep that magic snowman

Keep those twinkly lights
Keep the reindeer my heart already knows how to fly

Cause all I've ever wanted
Was nothing I got and
Santa, can't you hear me

I don't need a thing
I sent a letter to you
On how to make my dreams come true
What I want for Christmas
Hasn't come and I've been so blue
Tell me what can I do,

Keep the mistletoe /2x
Unless below is what I need,
Santa, can't you hear me

Keep those bows and boxes
Keep those three wise men
No need for a North Star to show me where I will end

Cause all I've ever wanted
Isn't on a shelf and
Santa, can't you hear me

I don't need a thing
I sent a letter to you
On how to make my dreams come true

Keep the mistletoe /2x
Unless below is what I need,
Santa, can't you hear me

Keep those bows and boxes
Keep those three wise men
No need for a North Star to show me where I will end
