Kelly Clarkson & Ariana Grande, Santa, Can't You

Keep the snow and sleigh rides Keep those silver bells Keep the gifts beneath the tree Give them to someone else Keep that magic snowman

Keep those twinkly lights Keep the reindeer my heart already knows how to fly

Cause all I've ever wanted Was nothing I got and Santa, can't you hear me

I don't need a thing
I sent a leter to you
On how to make my dreams come true
What I want for Christmas
Hasn't come and I've been so blue
Tell me what can I do,

Keep the mistletoe /2x Unless below is what I need, Santa, can't you hear me

Keep those bows and boxes Keep those three wise men No need for a North Star to show me where I will end

Cause all I've ever wanted Isn't on a shelf and Santa, can't you hear me

I don't need a thing I sent a leter to you On how to make my dreams come true

Keep the mistletoe /2x Unless below is what I need, Santa, can't you hear me

Keep those bows and boxes Keep those three wise men No need for a North Star to show me where I will end
