The Chainsmokers, Sick Boy

I’m from the East side of America
Where we choose pride over character
And we can pick sides
but this is us, this is us, this is
I live in the West side of America
Where they spin lies into fairy dust
And we can pick sides
but this is us, this is us, this is

And don’t believe the narcissism
when everyone projects
and expects you to listen to them
make no mistake, I live in a prison
That I build myself, it’s my religion
And they say that I’m the sick boy
Easy to say
when you don’t take risk, boy
Welcome to the narcissism
we’re until under indifference

And I;m the East side od America
Where we desentisize by hysteria
and we can pick sides
but this is us, this is us, this is
I live in the West side of America
Where they spin lies into fairy dust
And we can pick sides
but this is us, this is us, this is

I’m /3x
the sick boy
/2x
They say that I’m the sick boy /2x
and the call me the sick boy

And don’t believe the narcissism
when everyone projects
and expects you to listen to them
make no mistake, I live in a prison
That I build myself, it’s my religion
And they say that I’m the sick boy
Easy to say
when you don’t take risk, boy
Welcome to the narcissism
we’re until under indifference

feed yourself with my life’s work
how many likes is my life worth?
/4x

And don’t believe the narcissism
when everyone projects
and expects you to listen to them
make no mistake, I live in a prison
That I build myself, it’s my religion
And they say that I’m the sick boy
Easy to say
when you don’t take risk, boy
Welcome to the narcissism
we’re until under indifference
