The Chainsmokers with Kygo, Family

i know water that’s thicker than blood that’s deeper than love
whit my friends
people come and some people go
and some people ride to the end

when I am blind in my mind
I swear they be my rescue
my lifetime
I don’t know what I’d do if i
if I’d survive
my brothers and my sisters
in my life

I know some people they would die for me
we run together they’re my family
when I get up thet gon’ be high whit me
I’ll say forever my family
family
I’ll say forever my family
I’ll say forever my family

stolen dreams took our
our childish days
still ain’t nothing changed now we’re grown
we’re still young still got our minddles ways
and or timeless phase kicking songs

when I am blind in my mind
I swear they be my rescue
my lifetime
I don’t know what I’d do if i
if I’d survive
my brothers and my sisters
in my life

I know some people they would die for me
we run together they’re my family
when I get up thet gon’ be high whit me
I’ll say forever my family
family
I’ll say forever my family
I’ll say forever my family
