The Kelly Family, We Got Love

it’s alright now
the day ain;t over
it’s aligt babe,
cause we’re still standing
we’re sure looking shaggy
and raggy
and funny
bur ever smile, boy
is a revelation!

we’re living on fate
yeah, we living on hope in the darkness
and if teh love is all we need
when living in a world of madness
then you got ma and i got you
and we got all we need!
cause we got love!
yes, we got love!
