

Kiara, I Still Do

i still do
i still do
i still do

I've been lookin' through your pictures
But i had to check 'em through my friend's phone
I am reminded i don;t miss you
Since tou blocked me 2 years ago
You still smoke rings

Wrapped around your teenage
Brain, well, i guess that some things
Really never change
You've got the same chicks
Blowin' out the same wish
Lookin' for the language
That'll make you change

How did i ever love you?
Nah, nah
Had me down on my knees, beggin' you to stay
How did i ever trust you
Nah, nah
Lipstick stains on the sheets and i look away

Big plans, you ain't goin' nowhere
Damn, i swore i wouldn't go there
How did i ever love you?
Tell me how come, how come i still do?

how come, how come i still do?
how come, how come i still do?
how come, how come i still do?
Tell me how come, how come i still do?

Used to havin' fun in San Diego
Until you runed it for me though
Somewhat you even ruin my tastes
No i can;t listen
The devil in my veins

How did i ever love you?
Nah, nah
Had me down on my knees, beggin' you to stay
How did i ever trust you
Nah, nah
Lipstick stains on the sheets and i look away

Big plans, you ain't goin' nowhere
Damn, i swore i wouldn't go there
How did i ever love you?
Tell me how come, how come i still do?

how come, how come i still do?
how come, how come i still do?
how come, how come i still do?
Tell me how come, how come i still do?
