The Stone Roses, All For One

All for one, one for all
If we all join hands, we'll make a wall
/3x

Inside of me for I to see
In harmony, all designed to be
The mystery, all eyes to see
Chemistry, all one family

All for one, one for all
If we all join hands, we'll make a wall

Besides of me, all over me
Behind of me
Right in front of me
Inside of me, for I to see
In harmony, all one family
