

Kill The Noise, Kill It 4 The Kids (feat. AWOLNATION)

And it goes like this

I told them to kill the noise, I told them to kill the noise
I told them to kill the noise, I told them to kill the noise
I told them to kill the noise, I told them to kill the noise
I told them to kill the noise, I told them to kill the noise

Do that shit, do that shit, do it
Do that shit, do that shit, do it
Do that shit, do that shit, do it
Do that shit, do that shit, do it
Drop it

Do that shit, do that shit, do it
Do that shit, do that shit, do it
Do that shit, do that shit, do it
Do that shit, do that shit, do it
Drop it

Go, go, go, go, go, go, go, go
Go, go, go, go, go, go
Here we go now, here we go now, here we go now, here we go now
Here we go now, here we go

I told them to kill the noise, I told them to kill the noise
I told them to kill the noise, I told them to kill the noise
I told them to kill the noise, I told them to kill the noise
I told them to kill the noise, I told them to kill the noise
