The Weeknd and Post Malone, One Right Now

You say you love me but I don’t care
That I broke my hand on the same
Wall, that you told me that he fucked you on
You think it’s so easy
Fuckin’ with my feelings
I got one comin’ over and one right now
One right now

I got one coming all
The way you want right now

Said you wanna have my babies
I fucked you so good, you should pay me
Don’t call me baby
When you did me so wrong
But I got over what you did already
Body for a body I’m so petty
How many of your friends fit in my Rolls
Bought you a new face
You should call me Dad baby
Hermes
But you dropped the bag baby
Truth is
Maybe one’s just not enough

You say you love me but I don’t care
That I broke my hand on the same
Wall, that you told me that he fucked you on
You think it’s so easy
Fuckin’ with my feelings
I got one comin’ over and one right now
One right now

I got one coming all
The way you want right now
I got one coming all
The way you want right now

You’re a stain in my legacy
We can’t be friends
Can’t be family
You probably fuck all my enemies
I can’t let you be next to me
You belong to the world now
So, just leave me alone now
We’re not in touchg no more

You say you love me but I don’t care
That I broke my hand on the same
Wall, that you told me that he fucked you on
You think it’s so easy
Fuckin’ with my feelings
I got one comin’ over and one right now
One right now

I got one coming all
The way you want right now
I got one coming all
The way you want right now
