Kris Kross Amsterdam x The Boy Next Door, Whe

Whenever, wherever We're meant to be together I'll be there and you'll be near And that's the deal my dear

Lucky you were born that far away so We could both make fun of distance Lucky that I love a foreign land for The lucky fact of your existence

Baby I would climb the Andes solely To count the freckles on your body Never could imagine there were only Ten Million ways to love somebody

Le ro lo le lo le, Le ro lo le lo le Can't you see I'm at your feet

Whenever, wherever We're meant to be together I'll be there and you'll be near And that's the deal my dear

Thereover, hereunder You'll never have to wonder We can always play by ear But that's the deal my dear

Lucky that my lips not only mumble They spill kisses like a fountain Lucky that my breasts are small and humble So you don't confuse them with mountains Lucky I have strong legs like my mother To run for cover when I need it And these two eyes that for no other The day you leave will cry a river

Le ro le le lo le, Le ro le le lo le At your feet l'm at your feet

Whenever, wherever We're meant to be together I'll be there and you'll be near And that's the deal my dear

Thereover, hereunder You'll never have to wonder We can always play by ear But that's the deal my dear

Le ro le le lo le, Le ro le le lo le Think out loud Say it again

Le ro lo le lo le lo le Tell me one more time That you'll live Lost in my eyes

Whenever, wherever We're meant to be together I'll be there and you'll be near And that's the deal my dear

Thereover, hereunder You've got me head over heels There's nothing left to fear If you really feel the way I feel
