Tom Grennan, How Does It Feel

Cos I could be at yours on friday
Tonight's at the place we started
It's a long way back from sorry
But here I go ....
How does it feel, how does it feel
Just tell me something

I don't know what to tell you
I don't know what to say
I got into my head, i'm sorry i threw it away
But i'm so glad you came back, even through all the pain
Let me try and mend it, i can promise that i have changed
Oh, let me give you all of me
Can we just sort it out for real

Cos i could be at yours on friday
Tonights at the place we started
It's a long way back from sorry
But here I go ....
How does it feel, how does it feel
Just tell me something
Did you miss me, i've been so messed up since you stopped calling
It's a long way back from sorry
But here I go ....
How does it feel, how does it feel
Just tell me something

I had some time to process, i'll take all of the blame
I wasn't thinking, i won't put you through all that again
If you take me back then imma take you through the facts
Just hold on tight, cos i'm the type to make you right
And take you all the way
Oh, let me give you all of me
Can we just sort it out for real

Cos i could be at yours on friday
Tonights at the place we started
It's a long way back from sorry
But here I go ....
How does it feel, how does it feel
Just tell me something
Did you miss me, i've been so messed up since you stopped calling
It's a long way back from sorry
But here I go ....
How does it feel, how does it feel
Just tell me something

How does it really feel, we've both waited so long
Your still in my head, it's all i'll ever want
Let's not waste more time, give you one more try
How does it feel, how does it feel

Cos i could be at yours on friday
Tonights at the place we started
It's a long way back from sorry
But here I go ....
How does it feel, how does it feel
Just tell me something
Did you miss me, i've been so messed up since you stopped calling
It's a long way back from sorry
But here I go ....
How does it feel, how does it feel
Just tell me something
