Oh this  
No ordinary love  
Yeah  
Yeah me in awe of you now  
Mmmm  
This unson  
Unconditional  
This devotion  
Got my heart so wide open  
Lifting my spirit like a Holy GHost  
Oh this  
Oh this la love  
No ordinary love

I need you in my arms  
Hey yah

On this

Oh this  
No ordinary love  
Your kiss  
A sky full of tars  
Hmmm

Now i got a purpose  
I got a reason  
Your four letter word  
Gave me a whole new meaning

I got a person  
That made me believe in more  
More than words could  
Show you how i am feeling
