Troye Sivan, Bloom

take a trip into my garden
I've got so much to show ya
the fountains and the waters
are begging just to know ya

and it's true baby
I've benn saying this for you, baby

I guess it's something like a fun fair
put gas into the motor
and boy I'll meet you tight there
we'll ride the roller-coaster

cause it's true baby
I been saving this for you, baby

I need you to
tell me right before it goes down
promise me you'll
hold my hand if I get scared now
might tell you to
take a second baby slow it down
you should know I, you should know I

I bloom just for you
I bloom just for you
I bloom just for you
I bloom just for you

come on baby, play me like a love song
every time it comes on
I get this sweet desire
I bloom just for you
I bloom just for you

now it's the perfect season
yes, let's go for it this tome
we're dancing with the rtrees and
I;ve waited my whole like

and it's true baby
I've benn saying this for you, baby

I bloom just for you
I bloom just for you
I bloom just for you
I bloom just for you

come on baby, play me like a love song
every time it comes on
I get this sweet desire
I bloom just for you
I bloom just for you

just for you
I bloom just for you
I bloom just for you
