

Lake Malawi, Friend Of A Friend

can you hear it?
there's someone behind the wall
making the same sounds
can you hear it?
it sounds like you and me when we've making love
who is it?
you said you wish they weren't taking such a long time

she was my neighbor when we were 13
she moved back in ...
there's not much between us now
do you know when I mean?

she's only a friend of a friend of a friend of s friend
she's never home cause she plays in a band
I don't know if you'd understand
she's only a friend of a friend of a friend
I had a dream that she walked through the door
I can't recoll her name any more
please believe me I'm your man
shes's only a friend of a friend of s friend

can you feel it
there's someone sliding up and down the ceiling
breathing
he is synchronizing with her beating heart

she was my neighbor when we were 13
she moved back in ...
there's not much between us now
do you know when I mean?

she's only a friend of a friend of a friend of s friend
she's never home cause she plays in a band
I don't know if you'd understand
she's only a friend of a friend of a friend
I had a dream that she walked through the door
I can't recoll her name any more
please believe me I'm your man
shes's only a friend of a friend of s friend
