

# Lauv, Tattoos Together

said I'd never fall, I'd never fall  
I'd never fall but then I fell for you  
back against the wall, against the wall  
against the wall  
that's how it felt with you

one weekend in Portland  
you weren't even my girlfriend  
we were walkin' and talkin'

Tattoos together  
something to remember  
if it's way too soon  
fuck in, whatever  
give me shapes and letters  
if it's not forever  
then at least we'll have tattoos together

cause I love you!  
cause I love you!  
cause I love you!

knew it from the moment, from the moment  
from the moment that I saw you naked  
I could never love nobody else, nobody else  
the way I loved you baby

one weekend, no sleepin'  
you weren't even my girlfriend  
we were kissin', like real kissin'  
then somebody said: let's go

Tattoos together  
something to remember  
if it's way too soon  
fuck in, whatever  
give me shapes and letters  
if it's not forever  
then at least we'll have tattoos together

cause I love you!  
cause I love you!  
cause I love you!
