Tyga, Haute (ft. J Balvin, Chris Brown)

i been up 4 days
having 3 ways
like my bitches in twos
I'm the one man
tryna jump in my lane
i am in the air, man
make her fall in love
she gon' want the last name
I am a gigant to this niggaz
(…?...)
i know you wanna fuck rappers
you a rap fan
(…?...)
like a Pac man
I get it
you got bands
make your own money
a niggaz spend his whole advance
if I hit once
they know I can hit it again
t-shirt and your panties on, baby
you know what it is

I make it haute
I make it haute
Don't stop
pop pop
make it haute
Don't stop
pop pop
make it haute

[J Balcin]
(…?...)

I make it haute
I make it haute
Don't stop
pop pop
make it haute
Don't stop
pop pop
make it haute

you can blow my cover
baby
you can make me pull it up
put my hands in your hands
I know
