

# Lee Roy Parnell, Roller Coaster

Well I thought I was in for an easy ride  
You and me baby side by side  
But this thing&#039;s scarin&#039; me to death  
My heart&#039;s poundin&#039; can&#039;t catch my breath

Well it&#039;s up and it&#039;s down yeah whipping my heart around  
There ain&#039;t no holding back yeah I hope it don&#039;t jump the track  
On this roller coaster whoa you better hold on tight  
Roller coaster crazy but it sure feels right  
This thing&#039;s moving way too fast how long can we last  
On this roller coaster of love

Well you know I&#039;m the kind that likes a thrill  
Double dare me baby you know I will  
But this ride&#039;s gettin&#039; way too rough  
We belong in the tunnel of love

Well it&#039;s up and it&#039;s down...

Then two turns back we were slowin&#039; down  
Almost had my feel on the ground  
Just when I thought that I could turn you loose  
Your sweet kiss threw me for a loop

Well it&#039;s up and it&#039;s down...
