

Lena, Strip

I need a lot less drama
And a lot more, i don't care
I won't waste precious time
There's no need to compare
Have you ever heard about karma
You gonna get back what you give
And if you feel like dancing in the Rain
Just go for it

I am sorry
I am not sorry
But i am what i am

Baby strip,
All your makeup off
Get happy doing what you want
All we need is love
Love, love

Strip right down to the bones
It's hard but oh i know
All we need is love
Love, love

Love, love, love, love, love,
Love, love, love, love, love,
Love, love, love, love, love,
Love, love, love, love, love,
Strip it of
Like strip it of
Love
