# Whipped Cream, Told Ya (ft Lil Xan)

[Intro]
Ooh, ah
We came a long way
WHIP-WHIP-WHIPPED CREAM
Yeah, let's go

[Verse 1]
I just got that check, I spent it all up on my shoes
If you do not fuck with me, I have to cut you loose
They said that I wouldn't make it, now my talent's a world sensation
Made a lot of money, think it's time for a vacation
Every day, I wake up thinking, "Goddamn, I just made it," yeah
I don't fuck with fakes, so I just put 'em in the basement
Ladies really love me, is it clout or just the money?
People hate my guts and I just think it's really funny, yeah

[Chorus]
Yeah, yeah, I told ya so
Took too many, might overdose
Yeah, yeah, yeah, I told ya so
Why you gotta be so emotional? Yeah
Yeah, yeah, I told ya so
Took too many, might overdose
Yeah, yeah, yeah, I told ya so
Why you gotta be so emotional? Yeah

[Verse 2]
Back, back, back, back, back, can you back it up?
Always hatin' on me and you wonder why I act up
Brothers got my back and they stay hittin' like a Mack truck
Hit 'em on the celly if I really need the backup
Whip, whip, whip, whip, whip, yeah, whip it up
Sip, sip, sip, sip, sip out my sippy cup
Drip, drip, drip, drip, drip, then I mix it up
Yeah, ayy, yeah, I mix it up

[Chorus]
Yeah, yeah, I told ya so
Took too many, might overdose
Yeah, yeah, yeah, I told ya so
Why you gotta be so emotional? Yeah

[Outro]
Ayy, oh Lord, the kid did it again
Your shows be lookin' little as shit
Oh boy, they caught me sinnin' again
Oh boy, they caught me sinnin' again, yeah
