

Lil Durk, 3 Headed Goat (ft. Lil Baby & Polo G)

These ain't no guess jeans
I dropped out of school
I am still goood at math
But' nigga, don't test me

I play to the left
They went to the right
They try to finesse me
Still ridin' round whit tey blicky
I hope they don't catch me

Police had rained our spot
So we went to the next street
Play like i am dumb
As soon as he pop
I am goin' retarded
He say ai hot and he say i amm garbage
I am riich regardless
