

Lil Peep, When I Lie

all they do is try
woke up on a lonely day
she can't help but wonder why
punk star

many men have tried to save her
but all they do is try
(all they do is try)
woke up on a lonely day
she can't help but wonder why
(but wonder why)
I saw it on her face
she wanna make those fuckers cry
(those fuckers cry)
she ends up in a better place and time when she get high
stick that needle in my eye
just lost my peace of mind
(peace of mind)
I am not evil by design
but I feel dead at times
(dead at times)
stick that needle in my eye
just lost my peace of mind
(peace of mind)
stick that needle in my eye

she won't come whit me
(come whit me)
she ain't gonna run whit me
(run whit me)
now I am breaking down again
now I am breaking down again

blue skies start turning grey
when I tell her that I'm fine
ash on the windowpane
can I kiss you on your spine
kiss you on your spine
I watched her walk away
but I don't tell me she ain't mine
tell me she ain't mine
she's got this little blade and she cuts me when I lie
(cuts me when I lie)
when I lie
cuts me when I lie
when I lie
