

Lil Uzi Vert, The Way Life Goes (Feat. Nicki Minaj)

That's true
That's right
she's sipping Moet
and yes, I swear it gets her water
my Louboutin's new, so my bottoms
they is redder
no I'm not a rat but I'm all about my cheddar
Just talked to your homie, she said: We should be together
Gave me brain, was so insane that I made her my header
if she ever call me phone you know I gotta dead her
but I like the girl too much,
I wish I never met her

now you beggin' this a doozy
but beggars cannot be choosey
been the queen for 8 summers
just tell that to call me Suzy
This that NBlack
This that uzi
this Hennessy got me woozy
Broke Internet in 5411's and some Gucci
The blue ribbons eating sushi
It's that real good coochie
This that wet as Chattahoochee
Fuck all, you all like a hoochie
giving them bars since the teens
I ain't going back to juvie
I am Nicki Yamaguchi
Cause I skate with the Ice
i don't say what's the price
KLooking like iut's a heist
I been winning all my life
on a roll, it's a dice
since that litty bitty Piggy
Rem my city like committees
If you fuck it up with Nicky
You feel pretty fucking shitty
Anyway I;m stopping bags like the TSA
Listen up you little bitches it's a PSA
I'm still you gotta pay me flat bread
Yeah, the pita way!

I know you're sad and tired
you've got nothing left to give
You'll find another life to live
I know that you'll get over it
