

Lil Wayne, Mama Mia

what's good, brother
beat around the bush
I'ma come around with a bush
cutter and look for you

these niggas talkin' too much shit
I am about to find a good plumber

I ain't a killer but don't push me
like a red button
he gun head-butt you like
bang bang bang bang!
til your heart stop drummin'
I shoot you while the sun don't shine
it's a hit summer
but fall dawg, and I go all off
with this sawed-off

I am a wizard
whit the munfucka
like I went to hogwartz
