Yo Gotti, Rake It Up (ft. Nicki Minaj)

I tell all my hoes: rake it up
Break it down
bag it up
Fuck it up /2x
Back it up /2x
rake it up /2x
Back it up /2x
Fuck it up /2x
Back it up /2x

I made love to stripper
first I had to trip her
20 thousand once
she said I' that nigga
I said I;m that nigga
I already know
I come with bad weather
She said I'm a storm
I was sending bricks to Harlem
Back when Jam was still with Dame
I'ma a Philiphe Chow
I got a Patek on
Got a striper with me
she pick up the check
She going fuck it up
she's don't need make up
she's going rake it up
Until a nigga pay up
She said pay for the pussy /2x
wait for the pussy /2x
Ask God to forgive me
Cause I pray for the pussy
I pray for the pussy

I tell all my hoes: rake it up
Break it down
bag it up
Fuck it up /2x
Back it up /2x
rake it up /2x
Back it up /2x
Fuck it up /2x
Back it up /2x
