

Little Mix, Strip (ft. Sharaya J)

[Chorus: Jade, Leigh-Anne, (Jesy) & Perrie]

Take off all my make-up 'cause I love what's under it
Rub off all your words, don't give a uh, I'm over it
(Jiggle all this weight, yeah, you know I love all of this)
Finally love me naked, sexiest when I'm confident

[Verse 1: Jade & Perrie]

You say I ain't pretty
Well, I say I'm beautiful, it's my committee
Say we too provocative
Still look at me, look at me, look at me, yeah
Come for my girls, you blocked
Daily Mail ratin', mañana a la noche
I don't owe you nothin'
Nah, I don't give a, no, not anymore

[Pre-Chorus: Leigh-Anne w/ All, All & Jesy]

(Ah-ooh)
If you got little boobs, love it, love it, love it, love it, love it
If you got a big ass, grab it, grab it grab it, grab it, grab it (Ah-ooh)
If you got nothing, babe, rock it
It's your life, go get it, if you want it
Up in the mirror like, "Aw, yeah"
Lovin' my figure like, "Aw, yeah"
When I'm slim or I'm thick, I'm like, "Aw, yeah"
Swear I'ma kill 'em like ah

[Chorus: Jade & All]

Strip!
Take off all my make-up 'cause I love what's under it
Rub off all your words, don't give a uh, I'm over it

Finally love me naked, sexiest when I'm confident (Ah, ah, ah, ah)

[Post-Chorus: Perrie, All & Jesy]

I ain't scared anymore
My body outta control (Strip!)
Baby, I know that you love dis, dis, dis, dis
I know I'm a hot bitch, bitch

[Verse 2: Leigh & Jesy]

Love who you wanna
Don't give a damn if it's a man or a woman
Wanna talk about colour?
It's the skin that I'm in, yeah, I get from my mama (Uh-huh)
I'm a woman, don't test me
Baby, I'm growing, my stretch-marks are sexy

[Verse 3: Sharaya J]

First of all, you got to love who you are

Don't let social media tear you apart

H.B.I.C., I'm Benji in charge

I'm ready and I got a hundred bars

I don't care if you got a hundred cars

I don't care if you got a hundred mil'

'Cause even if you had a hundred deals

That money won't buy you that confidence will

Skrtr, pull up with the drip (With the drip)

Got juice (Got juice), take a sip (Take a sip)

I'm self (Uh-huh) serious (What, what?)

Lil' Mix in a mix period (Period)

Still a cover girl, even with no makeup

Live your best life, even with your A-cups

I don't gotta act, I just gotta be me

Put me on a track, I'ma ride like Kiki (Ayy)

[Chorus: Leigh-Anne & All]

Take off all my make-up 'cause I love what's under it

Rub off all your words, don't give a uh, I'm over it
