

# Little Mix, Sweet Melody

Do, do, do  
Do, do, do  
Do, do, do  
Do, do, do

In a whole nother lifetime  
There was this boy taht i knew  
He made mefeel like a woman  
We were young and silly fools  
Anyway he was in a band  
Wrote love song about me  
I wasn't crazy about the words  
But the melodies were sweet  
Went somethihng like

Do, do, do  
Do, do, do  
Do, do, do  
Do, do, do

Every time we'd dancing  
I;d see his straying eyes  
Gave him to omany chances  
Pushed me keys to omany Times  
Anyway he'd start acting up  
And i'd be on my way to leave  
But i stopped in my tracks  
When i heard this melody  
And it went like

Do, do, do  
Do, do, do  
Do, do, do  
Do, do, do

He used to sing me sweet melodies  
He played me  
Made me believe it was real love  
Sang ne sweet melodies  
But the day he did me wrong  
The song couldn't go on and on and on  
He used to sing me sweet melodies  
He played me  
Made me believe it was real love  
Sang ne sweet melodies  
But the day he did me wrong  
The song couldn't go on and on and on

He could lie he could cheat  
Over syncopated beats  
I was just his tiny dancer  
He had control of my feet  
Yes when he come along  
That's i lost a groove  
There was no song in the world  
To sing alone or make me move  
Something /2x  
Like

Do, do, do  
Do, do, do  
Do, do, do  
Do, do, do

He used to sing me sweet melodies  
He played me  
Made me believe it was real love  
Sang ne sweet melodies  
But the day he did me wrong  
The song couldn't go on and on and on  
He used to sing me sweet melodies  
He played me  
Made me believe it was real love  
Sang ne sweet melodies  
But the day he did me wrong  
The song couldn't go on and on and on

Do, do, do  
Do, do, do  
Do, do, do  
Do, do, do

On and on  
on and on

He used to sing me sweet melodies  
He played me  
Made me believe it was real love  
Sang ne sweet melodies  
But the day he did me wrong  
The song couldn't go on and on and on
