

# Little Mix, The Cure

I lost my faith, made my mistakes  
Gonna find a way to make it easy  
I'll be better on my own, believe me  
Pay no hope back, can't live like that  
Yeah, I made my piece with all the sorrow  
And now I'm livin' for tomorrow

I'm a girl with a new face, and a life that's been changed  
You know, you know, you know?

I was a little bit lost, but I'm not anymore  
I was a little bit hurt, but I'm not anymore  
I was a little left out, but I'm not anymore  
'Cause the tears fell down, but they don't anymore  
I was a little messed up, but I'm not anymore  
I was a little left out, but I'm not anymore  
I was a little far gone, but I'm not anymore  
It's alright now, baby I've got the cure

Oh, oh, oh, oh  
Oh, oh, oh, oh  
Oh, oh, oh, oh  
Yeah it's alright now, baby I've got the cure

Now it's me and myself (yeah), don't need no one else  
This happiness was always inside me  
But Lord, it took a minute to find me  
And this freedom I found is with the million you now  
And I'm puttin' all my troubles behind me  
I only need my heart to guide me

I'm a girl with a new face, and a life that's been changed  
You know, you know, you know?

I was a little bit lost, but I'm not anymore  
I was a little bit hurt, but I'm not anymore  
I was a little left out, but I'm not anymore  
'Cause the tears fell down, but they don't anymore  
I was a little messed up, but I'm not anymore  
I was a little left out, but I'm not anymore  
I was a little far gone, but I'm not anymore  
It's alright now, baby I've got the cure

Oh, oh, oh, oh  
(I got the cure)  
Oh, oh, oh, oh  
(I got the cure)  
Oh, oh, oh, oh  
(I got the cure)  
Yeah it's alright now, baby I've got the cure  
Oh, oh, oh, oh  
(I got the cure)  
Oh, oh, oh, oh  
(I got the cure)  
Oh, oh, oh, oh  
(I got the cure)  
Yeah it's alright now, baby I've got the cure

And I, I'll learn to love myself again  
'Cause I, 'cause I finally understand

I was a little bit lost, but I'm not anymore  
I was a little bit hurt, but I'm not anymore  
I was a little left out, but I'm not anymore

(Just a little, just a little)  
'Cause the tears fell down, but they don't anymore  
I was a little messed up, but I'm not anymore  
I was a little left out, but I'm not anymore  
I was a little far gone, but I'm not anymore  
(Tears fell down my neck, tears fell down my neck,  
tears fell down my neck)  
It's alright now, baby I've got the cure

I was a little bit lost, but I'm not anymore  
I was a little bit hurt, but I'm not anymore  
I was a little left out, but I'm not anymore  
(No, no, no)  
'Cause the tears fell down, but they don't anymore  
I was a little messed up, but I'm not anymore  
I was a little left out, but I'm not anymore  
I was a little far gone, but I'm not anymore  
(No, no, no)  
It's alright now, baby I've got the cure

Oh, oh, oh, oh  
(I got the cure)  
Oh, oh, oh, oh  
(I got the cure)  
Oh, oh, oh, oh  
(I got the cure)  
Yeah it's alright now, baby I've got the cure  
Oh, oh, oh, oh  
(I got the cure)  
Oh, oh, oh, oh  
(I got the cure)  
Oh, oh, oh, oh  
(I got the cure)  
Yeah it's alright now, baby I've got the cure
