Lost in
I've been u pall night
I'm still tryna find my mind
I've lost it
I am feeling so blind
I hate when you're not mine
I've lost it
In the ocean
In your potions
My emotions
I've lost it
Teh explosion
The corrision

I lost it
How can i get it all back?
I lost it
And i need it
i need it
i need it!
I lost it, oh!
Get the magical back
I lost it
In the moment
