ZieZie, Low Life

I've been chilling on the blocks like a lowlife
But finna make it out that's a good life
High life
My life
When I be shutting down shows
I'm bringing my guys
I've been chilling on the blocks like a lowlife
But finna make it out that's a good life
High life
My life
When I be shutting down shows
I'm bringing my guys

When I be shutting down shows
I'm bringing my guys
Chilling backstage with a hotspice
Caramel tanned yeah she cooked right
That recipe finna make a good night
And come on let me get a little taster
Cah your all man I wouldn't waste ya
As long as your my Mrs
I'm your savior
Cah your the only reason I'm not a failure

Cause I love the shape of you mama
I wanna put my hands on ya
She said she wanna roll with a g
So baby come fuck with me
So baby come fuck with a real nigga
I ain't got much
I keep it real with ya
South side

Where the G's at?
Mi nah beg friend
