

Lizzo, Tempo (feat. Missy Elliott)

I've been waitin; for this one
turn it up

slow songs
they for skinny hoes
can't mve all of this here one of those
I'm a thick bitch
I need tempo
fuck it up to the tempo

pitty-pat /3x
look at my ass
it's fifty-fitty –fat
kitty cat, kitty cat
kitty-kitty cat
prrr me a glass, boy
I like my water wet

throw it back
catch that
I need a jack
for all of this ass
but I won't go flat
baby, baby
