

Lizzo x Queer Eye, Soulmate

Yeah, the old me used to
Love a gemini
Like a threesome
Fuckin' whit him
Every night

A lotta two-faced people show me
Both side
So i figured out
I gotta be my own type

They used to say
To get a man
You had to know
How to look

They used to say
To keep a man
You have to know
How to cook*
