

# Loui & John, Crazy

In a church by the face  
He talks about the people going under  
Only child know  
A man decides after seventy years  
That what he goes there for  
Is to unlock the door  
While those around him criticize and sleep  
And through a fractal on that breaking wall  
I see you my friend and touch your face again  
Miracles will happen as we trip  
But we're never gonna survive unless  
We get a little crazy  
No we're never gonna survive unless  
We are a little  
Cray cray crazy  
Crazy are the people walking through my head  
One of them got a gun to shoot the other one  
And yet together they were friends at school  
Get it, get it, get it, yeah!  
If all were there when we first took the pill  
Then maybe then maybe then maybe then maybe  
Miracles will happen as we speak  
But we're never gonna survive unless  
We get a little crazy  
No we're never gonna survive unless  
We are a little  
Crazy  
No no we'll never survive unless we get a little bit  
A man decides to go along after seventy years  
Oh darlin  
In a sky full of people only some want to fly  
Isn't that crazy  
In a world full of people only some want to fly  
Isn't that crazy  
Crazy  
In a heaven of people there's only some want to fly  
Ain't that crazy  
Oh babe Oh darlin'  
In a world full of people there's only some want to fly  
Isn't that crazy  
Isn't that crazy Isn't that crazy Isn't that crazy  
Ohh  
But we're never gonna survive unless we get a little crazy crazy  
No we're never gonna to survive unless we are a little crazy  
But we're never gonna survive unless we get a little crazy crazy  
No we're never gonna to survive unless we are a little crazy  
No no never survive unless we get a little bit  
And then you see things  
The size of which you've never known before  
They'll break it  
Someday  
Only child know  
Them things  
The size  
Of which you've never known before  
Someday
