

Lund, Broken (ft. Lil Skies & Noah Cyrus)

Will you end my pain?
Will you take my life?
Will you bleed me out?
Will you hang me out to dry?
Will you take my soul in the midnight rain?
While i;m falling apart
While i am going
Will you end my pain?
Will you take my life?
Will you bleed me out?
Will you hang me out to dry?
Will you take my soul in the midnight rain?
While i;m falling apart
While i am going

[Lil Skies:]
(...)

Will you end my pain?
Will you take my life?
Will you bleed me out?
Will you hang me out to dry?
Will you take my soul in the midnight rain?
While i;m falling apart
While i am going
Will you end my pain?
Will you take my life?
Will you bleed me out?
Will you hang me out to dry?
Will you take my soul in the midnight rain?
While i;m falling apart
While i am going

[Noah Cyrus:]
Pretty pictures in my head
Things that haven't happened yet
Drive your car across my chest
Run me over, my regret
Bury me alive and just kill me
Cause honestly i am tired of just dealing
Just another black hole feeling
Cause the shit i;ve seen
But i can't forget

Will you end my pain?
Will you take my life?
Will you bleed me out?
Will you hang me out to dry?
Will you take my soul in the midnight rain?
While i;m falling apart
While i am going
Will you end my pain?
Will you take my life?
Will you bleed me out?
Will you hang me out to dry?
Will you take my soul in the midnight rain?
While i;m falling apart
While i am going
