

M. Burdynowicz vs. W. Kowalski, My Heart Will G

Ev'ry night in my dreams, I see you, I feel you
That is how I know you go on
Far across the distance and spaces between us
You have come to show you go on
Near, far, wherever you are
I believe that the heart does go on
Once more you open the door and you're
Here in my heart and my heart will go on and on
Love can touch us one time and last for a
Lifetime and never let go till we're gone
Love, was when I loved you, one true time
I had to, in my life we'll always go on
Near, far, wherever you are
I believe that the heart does go on
Once more you open the door and you're
Here in my heart and my heart will go on and on
You're here, there's nothing I fear, and I know
That my heart will go on. We'll stay forever this way
You are safe in my heart and my heart will go on
And on
