## M.I.A., Borders

Freedom
I don't need them
Where's your rhythm?
This world needs a brand new rhythm
We done the key
We done them key them to lie
Let's beat them
We them smartphones done beat 'em

**Borders** What's up with that? **Politics** What's up with that? Police shots What's up with that? Identities What's up with that? Your privilege What's up with that? Broke people What's up with that? Boat people What's up with that? The realness What's up with that? The new world What's up with that? I'm gonna keep up on all that

Guns blow doors to the system Yeah fuck them when we say we're not with them We're solid and we don't need to kick them This is North, South, East and Western

Guns blow doors to the system Yeah fuck 'em when we say we're not with them We're solid and we don't need to kick them This is North, South, East and Western

Queen What's up with that? Killin' it What's up with that? Slayin' it What's up with that? Your goals What's up with that? Bein' bae What's up with that? Makin' money What's up with that? Breakin' internet What's up with that? Love wins What's up with that? Livin' it What's up with that? Bein' real What's up with that?

Guns blow doors to the system Yeah fuck 'em when we say we're not with them We're solid and we don't need to kick them This is North, South, East and Western We're representing peeps
Let them play us on the air
When we're talking in our sleep, does it listen on a system?
We're sittin' in the stoop
Where we get our scoop
This is how we keep it cool and this is how we do

We're representing peeps
Let them play us on the air
When we're talking in our sleep, does it listen on a system?
We're sittin' in the stoop
Where we get our scoop
This is how we keep it cool and this is how we do

What's up with that? Your values What's up with that? Your beliefs What's up with that? Your families What's up with that? History What's up with that? Your future What's up with that? My boys What's up with that? My girls What's up with that? Freedom What's up with that? Your power What's up with that?
