

Major Lazer, Lay Your Head On Me (feat. Marcus

WHEN YOU'RE NUMB TO THE TOUCH
YOU CANNOT CHASE THIS GHOST AWAY
and this too shall pass
this too shall pass
if won't always be the same
and every single scar that you claim
is a stone in the path to this place
and ever single choice that you make
has led you this way so lay your head on me

lay your head on me
lay your head on me
lay your head on me
Don't be afraid love*
