

# Major Lazer & Rudimental, Let Me Live (feat. Anne-Marie)

as I walk through the water  
so many things I see  
and then I say to myself:  
it's never right song

cause I am the one  
I rule my World  
nobody rule my destiny  
cause you are the one  
you rule our World  
no bad man won your destiny

leave me alone  
let me live my life  
leave me alone  
let me live it up,. live it up  
leave me alone  
I could live my life  
leave me alone  
I could live it up,. live it up

are we losing control  
or is it mean to be  
now I've open my mind  
come on set me free

cause I am the one  
I rule my World  
nobody rule my destiny  
cause you are the one  
you rule our World  
no bad man won your destiny

leave me alone  
let me live my life  
leave me alone  
let me live it up,. live it up  
leave me alone  
I could live my life  
leave me alone  
I could live it up,. live it up
