

# MaRina, About Love (piosenka z filmu To All The

started in the strangest way  
didn't see it coming  
swept up in your hurricane  
wouldn't give it up for nothing  
now , I am all caught up in the highs and the lows  
it's a shock to my system  
I don't wanna run away so I stay

me head gets messy when I try to hide  
the things I love about to I n my mind

I don't really know a lot about love  
a lot about love  
a lot about love  
but you're in my head  
you're in my blood  
and it feels so good  
t hurts so much  
I don't really know a lot about love  
a lot about love  
a lot about love  
but you're in my head  
you're in my blood  
and it feels so good  
t hurts so much  
it feels so good  
t hurts so much

but you're in my head  
you're in my blood  
and it feels so good  
t hurts so much  
it feels so good  
t hurts so much

Think about the time it took for our paths to cross  
read me like an open book  
I was found and lost  
now I am all caught up in the highs and the lows  
it's a shock to my system  
I know that our love was fate, so I stay

me head gets messy when I try to hide  
the things I love about to I n my mind

I don't really know a lot about love  
a lot about love  
a lot about love  
but you're in my head  
you're in my blood  
and it feels so good  
t hurts so much  
I don't really know a lot about love  
a lot about love  
a lot about love  
but you're in my head  
you're in my blood  
and it feels so good  
t hurts so much  
it feels so good  
t hurts so much

but you're in my head  
you're in my blood

and it feels so good  
t hurts so much  
it feels so good  
t hurts so much
