

Maroon 5, What Lovers Do (feat. SZA)

Say say say, hey hey now baby
Oh my my, don't play now baby
Say say say, hey hey now baby
So let's get one thing straight now baby

Tell me tell me if you love me or not,
Love me or not, love me or not
I bet the house on you,
Am I lucky or not, lucky or not, lucky or not?
You gotta tell me if you love me or not,
Love me or not, love me or not
Been wishin' for you,
Am I lucky or not, lucky or not, lucky or not?

Ooooh, ooh
Been wishin' for you
Ooh, ooh
Try to do what lovers do (ooh)
Ooooh, ooh
Been wishin' for you
Ooh, ooh
Try to do what lovers do (ooh)

Say say say, hey hey now baby
You gon' make me hit you
With that lay down, baby (oh)
Say say say, hey hey now baby
You know what I need,
You don't have to cave, now baby

Tell me, tell me if you love me or not,
Love me or not, love me or not
I bet the house on you,
Am I lucky or not, lucky or not, lucky or not?
You gotta tell me if you love me or not,
Love me or not, love me or not
Been wishin' for you
Am I lucky or not, lucky or not, lucky or not?

Ooooh, ooh
Been wishin' for you
Ooh, ooh
Try to do what lovers do (ooh)
Ooooh, ooh
Been wishin' for you
Ooh, ooh
Try to do what lovers do (ooh)
What lovers do
What lovers do
What lovers do

Are we too grown for games?
Are we too grown to play around?
Young enough to chase
But old enough to know better
Are we too grown for changin'?
Are we too grown to mess around?
Oh and I can't wait forever baby
Both of us should know better

Ooooh, ooh
Been wishin' for you
Ooh, ooh
Try to do what lovers do (ooh)

Ooooh, ooh
Been wishin' for you
Ooh, ooh
Try to do what lovers do (ooh)
Ooooh, ooh
Been wishin' for you
Ooh, ooh
Try to do what lovers do (ooh)
Ooooh, ooh
Been wishin' for you
Ooh, ooh
Try to do what lovers do (ooh)
