

Marshmello x Eptic, HITTA (Feat. Juicy J)

One hitta quitta
One hitta quitta
One hitta quitta
One hitta quitta
Ma-ma-mafia!
Shut da fuck up!

I got that one hitta quitta
That one hitta quitta
One hitta quitta
That one hitta quitta

Nigga find out and get your fucking teeth knocked out
Find out and get your fucking teekh knocked out

One, one, one, one , killish
One, one, one, one , killish
One, one, one, one , killish
One, one, one, one , killish
Shut da fuck up!

Pulling up and rolling down
Smoked out in exotic trucks
Model chiks
Tehy like to suck
With lots of spit like daffy duck

Halo on my
I am too high
Take two puffs
And touch the sky
