

# Megan Thee Stallion, Mustard & Mayonaise

[Chorus]

Ooh, I'm a hot girl but these niggas think I'm cool  
Partied all night then woke up and went to school  
A real bad bitch, I look good in a suit  
A lil' model booty but that motherfucker move

[Verse 1]

Ain't a thing you can name that I want and ain't get (Not shit)  
Got some head from your nigga then I check that off the list (Lil' bitch)  
Make him feel like he my man when he know he just a trick (Ah-ah)  
He be paying this tuition and I never let him hit (Ayy, yeah, yeah, yeah)

He wanna lick it again (Ah), he spoil me like I'm a lil' kid  
Panties and the fur, pull up with a chauffeur  
Peanut butter insides like I ride a dessert (Ride a dessert)  
I prefer head over sex, cash over checks  
If a bitch get me wrong, got the autocorrect  
Don't slip but my flow wet, hit a boy vest  
If he put me to bed, now he under arrest  
Lock you down now that mouth mine, turn him to a mime  
He ain't talked in a minute 'cause his tongue doin' time (Ah)

Barely speaking English but I know he understand me (Know he understand me)  
Hand over that money 'cause he know it make me happy (Yeah, yeah, yeah)  
I'm a dream girl but I don't do no singing (Uh-uh)  
Heard he got that work so I put him in a meeting (Ayy, what's up?)  
Say he only eat his girlfriends, tryna tease me (What?)  
But I peeped him out so I know he finna drink me (Yeah)

[Verse 3]

I got more business in your mouth than a dentist  
I'm the baddest bitch walkin' 'round on campus  
Some tired niggas on my line, "Let the call through"  
Got a condo but like to kick it in my dorm room  
Hair pulled back, no bra, in a blazer (Yeah)  
Let a nigga know a lil' money don't phase you (Yeah)  
If you ain't talking numbers, I'ma holla at you later  
'Cause I'm into gettin' money, baby, I don't wanna lay up (Uh-uh)

You heard I was a player, what that got to do wit' you?  
I'm tryna see what's up with that, baby, if it's cool (Let me know)  
Stop actin' like a rookie, I know you know what to do
