

Michele Morrone, Dark Room

I am feel like mess
bubbling through me
but I don't care,
if you touch me now
she wanna dance until she's warm up
baby my mind is ready now
baby my mind is ready now
baby my mind is ready now

I let me something
cause I need somebody
freak me as you bull me
little child
love me
love me
love me
now
touch me
touch me
touch me
now

let me check inside
you know!
