

# Michele Morrone, Feel it (piosenka z filmu 365 dni)

I don't wanna keep you waiting  
that's why you blame it on me  
you just give me a secret  
and I wanna

coz' this one was on you, baby  
this only true, yeah

I am gonna feel, feel it so strong  
this is making me alive  
you don't even have to say bye  
I am gonna feel, feel it so strong  
this is making me alive  
we don't even have to say goodbye

I wanna you  
this is making me alive  
we don't even have to say goodbye  
I wanna you  
this is making me alive  
we don't even have to say goodbye

you don't even have to play this  
that's what they expected from me  
I don't ever make you ...  
this is about you

coz' this one was on you, baby  
this only true, yeah

I am gonna feel, feel it so strong  
this is making me alive  
you don't even have to say bye  
I am gonna feel, feel it so strong  
this is making me alive  
we don't even have to say goodbye

I wanna you  
this is making me alive  
we don't even have to say goodbye  
I wanna you  
this is making me alive  
we don't even have to say goodbye
