

# Michele Morrone, Watch Me Burn (utwór z filmu 3

don't lie to me  
(hold on)  
oh baby I've been thinking about it  
you know, that I've been dreaming about it!  
(I am gonna teach you some!)

head light  
hold tight  
oh no, no, no!  
oh baby I've been thinking about it  
you know, that I've been dreaming about it!  
you know the deal  
don't make any promises, promises!

got me  
flying high  
right when you want me to  
Watch it  
watch Me Burn  
right when you want me to  
din delay my lullaby  
touch me now  
stop me now  
don't pretend  
fuck it!  
Watch Me Burn

SAY WHAT YOU THINK  
oh baby I can lose my mind over you  
you know that I can lose my mind over you  
who do you want me to be

head light  
hold tight  
oh no, no, no!  
oh baby I've been thinking about it  
you know, that I've been dreaming about it!  
you know the deal  
don't make any promises, promises!

got me  
flying high  
right when you want me to  
Watch it  
watch Me Burn  
right when you want me to  
din delay my lullaby  
touch me now  
stop me now  
don't pretend  
fuck it!
