

Mura Masa, All Around The World (ft. Desiigner)

This goes for all around the world
Till the world is gone
This goes all around the world
So we carry on
This goes for all around the world
Till the world is gone
This goes all around the world
So we carry on

Thank God, I got it
Thank God, nigga I got it
Thank God, cut the checks, they're watching
Thank God, I be gertting, cant; stop it
Thank God, I got it
Thank God, I be counting this money
Thank God, thinking , living, they funny

Living close
And counting
These 100s, shit
I be living life on the ball shit
I;ma coop me a wheel and I ghost it
Black and white
It's the panda, the ghost is
Give a toast to the Grammy 's
I go shhit

All night with the bag
All night with the bag
All night with the bag

This goes for all around the world
Till the world is gone
This goes all around the world
So we carry on
This goes for all around the world
Till the world is gone
This goes all around the world
So we carry on
