

# Niall Horan, Maren Morris, Seeing Blind

I have seen, seen it all in paper dreams  
watched it unfold on the screen  
but I never understood  
I have heard, have heard you speak a million words  
now you're talking to me first  
never though you would

oh my, my  
you just took me by surprise  
and I can't believe my eyes  
I must be seeing blind  
oh no  
now you're too good to be all mine  
now I'm looking in your eyes  
I must be seeing blind

when I was young, my heart was always on the run  
but you make lovin' fun  
I never knew it could be  
I see you from a different point of view  
I feel it's too good to be true  
I found my missing piece

oh my, my  
you just took me by surprise  
and I can't believe my eyes  
I must be seeing blind  
oh no  
now you're too good to be all mine  
now I'm looking in your eyes  
I must be seeing blind

oh my, my  
when I look into your eyes  
it's a sign I can't describe  
I must be seeing blind

oh my, my  
you just took me by surprise  
and I can't believe my eyes  
I must be seeing blind  
oh no  
now you're too good to be all mine  
now I'm looking in your eyes  
I must be seeing blind
