

Noah Cyrus, Make Me (Cry) ft. Labrinth

I never needed you like I do right now
I never needed you like I do right now
I never hated you like I do right now
Cuz all you ever do is make me

Gave you up 'bout 21 times
Felt those lips tell me 21 lies
You'll be the death of me
Sage advice
Lovin' you could make Jesus cry

When I hear you sayin' darling
Your kiss is like an anecdote
I'm fightin' like I'm Ali
But you got me on the ropes

I never needed you like I do right now
I never needed you like I do right now
I never hated you like I do right now
Cuz all you ever do is make me

Couldn't hear the thunder
But I heard your heart race
Couldn't see the rain
We're too busy makin' hurricanes

Love ain't easy when it ain't my way
But it gets hard when you ain't here makin' me crazy

Baby say the word darling
You know just how to hold a sucker down
So I'll see you in the morning

I can't watch you walk out

I never needed you like I do right now
I never needed you like I do right now
I never hated you like I do right now
Cuz all you ever do is make me

Cry
Cry
Cry
Cry
