Ola Gwazdacz, The Best

I call you when I need you, my heart's on fire You come to me, come to me wild and wild When you come to me Give me everything I need Give me a lifetime promises and a world of dreams Speak a language of love like you know what it means And it can't be wrong Take my heart and make it strong baby

You're simply the best
Better than all the rest
Better than anyone
Anyone I've ever met
I'm stuck on your heart
I hang on every word you say
Tear us apart
Baby, I would rather be dead

In your heart, I see the star of every night and every day In your eyes I get lost, I get washed away Just as long as I'm here in your arms I could be in no better place

You're simply the best
Better than all the rest
Better than anyone
Anyone I've ever met
I'm stuck on your heart
I hang on every word you say
Tear us apart
Baby, I would rather be dead

Each time you leave me I start losing control You're walking away with my heart and my soul I can feel you even when I'm alone Oh, baby, don't let go

You're simply the best Better than all the rest Better than anyone Anyone I've ever met I'm stuck on your heart I hang on every word you say Tear us apart Baby, I would rather be dead
